

8th VETERAN SHARK TANK

SPONSORSHIP INFO

DECEMBER 7, 2020 | ★★ ★ | PHILADELPHIA, PA

ABOUT THE VETERAN SHARK TANK

Created in 2012, The Veteran Shark Tank promotes and assists Veterans who are starting or growing their businesses. This national veteran pitch competition is the first official event of Army/Navy week in Philadelphia.

Our 7th Veteran Shark Tank drew attendees and sponsors from across the country to support 5 veteran entrepreneurs in the finals held on December 9th, 2019. The 2019 winner received \$50,000 prize and valuable business services to grow and expand their business.

The 2020 event is going to be bigger than last year's event. Your generous support goes directly to programs that support our veterans entrepreneurs. Our goal is to help Veterans sharpen their business pitch, gain feedback from business leaders, and create a Veteran network for life as they launch their new venture.
